Experience

2020- Present

House of Speakeasy Foundation

Manager of Education and Equity

My job consists of developing creative arts curriculum based on the resulting media from SpeakTogether Student Matinee programs in schools. I find peer reviewers to review the toolkits and liaise with a copy designer to design the final toolkits. As we move from production to dissemination, my role will include helping to build and establish the website as well as conduct outreach to schools and organizations to put the toolkits in the hands of educators.

2015-2023

Grace Church School

Literature Teacher, Diversity Liaison

I taught various literature courses across grade levels, including the capstone project-based Senior Seminar course. I also taught Journalism, Critical Literacy, and College Essay Writing. As a diversity liaison, I worked to promote DEI initiatives in the school.

2017-2023

92Y

Writing Workshop Instructor

An annual summer workshop for high-schoolers in which I selected and taught diverse works of fiction and dissected them for craft.

2016-2017

Cooper Union

Creative Arts Instructor

I created lesson plans focusing on an interdisciplinary approach to writing, crossbreeding visual arts and letters. I also facilitated discussions on the artistic process and how to develop a personal practice.
